

The Ninja Munkees: March News Edition
The HUB City Regional

By Aidan S.

On the weekend of March 1st, Team 2395 traveled 280 miles from our home town in Oklahoma City, to attend the 2017 Hub City Regional in Lubbock texas. We had a Great time competing with our robot, Meco-Gnome. At this regional, We were Selected to be on the 6th Seated Alliance with Team 2341 and Alliance Captain Team 2481. We progressed to the Semi-Finals before we were eliminated By the regional champions, the 8th alliance. Overall The Hub City regional was a great learning Experience for the Students, Mentors, And Parents alike. And feel I speak for everyone when I Say we all look forward to attending the 2018 Hub City Regional!
